PROZYME® All-Natural Enzyme Supplement Plus

Lactose
Free!

For Dogs & Cats

NET CONTENTS
300 grams (10.5 oz)

Maximize Nutrition By Improving Nutrient Absorption

PROZYME® Plus is an all natural, plant-derived digestive enzyme dietary supplement for companion animals, including dogs and cats. PROZYME® Plus utilizes a proprietary lactose-free formulation of specially cultured enzymes to aid in the absorption of protein, carbohydrates, and essential fatty acids from pet food. PROZYME® Plus is appropriate for animals that are lactose intolerant or are on vegan diets.

DIRECTIONS: Recommended serving is ¼ tsp per cup of food. You may increase or decrease serving size according to special needs including age. Please consult prozymeproducts.com for more information.

STORAGE AND SAFETY: This product is intended for intermittent or supplemental feeding only.

Store in a dry area away from extreme heat and direct sunlight.

Some settlement may occur in shipping.

Serves 240 cups of food.
