PROZYME®

All-Natural Enzyme Dietary Supplement

Plus **Lactose
Free!**

NET CONTENTS:
100 grams (3.5 Oz),
300 grams (10.5 Oz)

Maximize Nutrition By Improving Nutrient Absorption

PROZYME® Plus is an all natural, plant-derived digestive enzyme dietary supplement for companion animals, including dogs and cats. **PROZYME® Plus** utilizes a proprietary lactose-free formulation of specially cultured enzymes to aid in the absorption of protein, carbohydrates, and essential fatty acids from pet food. **PROZYME® Plus** is appropriate for animals that are lactose intolerant or are on vegan diets.

DIRECTIONS: Recommended serving is ¼ tsp per cup of food. You may increase or decrease serving size according to special needs including age. Please consult prozimeproducts.com for more information.

STORAGE AND SAFETY: This product is intended for intermittent or supplemental feeding only.

Store in a dry area away from extreme heat and direct sunlight.

Some settlement may occur in shipping.

100 grams (3.5 oz) - Serves 80 cups of food.

300 grams (10.5 oz) - Serves 240 cups of food.

**PROZYME® Plus is suitable
for all companion animals,
especially dogs & cats.**
